Indigenous Tribal Leaders' Forum (ITLF)
Conglomerate of Recognised Tribes in Churachandpur District, Manipur

PRESS RELEASE
Monday 29th May 2023

The Manipur State Government along with the Manipur State forces have been carrying out ethnic cleansing continuously since 3rd May 2023 against the tribal people in different tribal villages wherein tribal villages were burnt down to ashes and many innocent tribals murdered. It is learned that the valley underground cadres disguised in Manipur police uniforms were the perpetrators leading the endless horrific crime against the tribals.

To date, 68 (sixty-eight) tribal people had been confirmed dead and 50 (fifty) or more are still unaccounted for. The number of Churches burnt is 222 (Two hundred and twenty-two) and the number of burnt Churches Administration Buildings/Quarters is 73 (seventy-three). The number of Villages burnt is 115 (One hundred and fifteen) and the number of houses burnt is more than 4000 (Four Thousand Only). The number of tribal people injured is alarming.

While the SoO groups are in their designated camps, the poor tribal villagers defending their villages with just a handful of single barrels guns and a few licensed guns were collected from them by the Army leaving them helpless or killing them to die at the hands of the State-led machinery. Unsatisfied with the ongoing ethnic killings and cleansing, the security forces at present have even started Combing Operations in tribal villages after allowing the looting of arms from 7 MR, 8 IRB, 3 IRB, Manipur Police Training College, and 9 MR. The injuries suffered by the village volunteer indicate the use of these sophisticated weapons which were looted.

We strongly condemn the Manipur State Government forces actions and we appeal to the Central Government and the Central forces to deploy more forces in our villages to protect our innocent tribal villagers whose lives are in danger.

We also demand the immediate imposition of President's Rule in Manipur and the sacking of the N. Biren Singh led Government.
