**ITLF PRESIDENTIAL COUNCIL**

**CONDEMNATION**

Mrs. Luankhozam Biangtung (80) of Immanuel Khopi, Lamka, was brutally murdered when someone broke into her home on the terrible night of June 15, 2024. The entire Lamka community is horrified by this tragedy, and people are starting to feel more insecure.

The Presidential Council of ITLF vehemently condemned this act of violence. The perpetrator should be apprehended by the law enforcement agency as quickly as possible and put behind bars.

In light of our ongoing conflict with the Meiteis, the ITLF Presidential Council urges people to refrain from committing such crimes. We ought to put an end to murdering one another and acknowledge the worth of human life.

Let us all treat God with reverence, submit to his will, and live as true Christians should.
